SUBJECT: 12th Aboitiz Future Leaders Business Summit (AFLBS)

We are pleased to inform you that the applications for the 12th Aboitiz Future Leaders Business Summit (AFLBS) is now open. The AFLBS will be held on 9-11 November 2017 in Cebu City.

Now on its 12th year of building young leaders, the AFLBS reaches a significant milestone in preparing and empowering the youth to drive change for a better world both in their chosen field and as members of society. The AFLBS is Aboitiz Group's shared commitment in developing and nurturing our young and promising delegates into becoming effective leaders in the future.

Over the Summit's history, participants include working scholars, varsity athletes, honor students, and organization leaders, each bringing an inspiring story, visionary ideals and high hopes for the future of the country. They are guided by Aboitiz executive leaders from different business industries who impart their knowledge, experience, and philosophies to the country's future leaders.

The Summit provides delegates with basic leadership and management strategies and how they are concretized in a corporate environment. It engages participants to interact, network and establish professional ties with Aboitiz leaders and talents as well with fellow delegates. Through plenary discussions, teambuilding exercises, and team challenges, the Summit also aims to bring out the best from the student delegates, inspire them to develop a renewed hope in the country, and encourage them to strive for excellence in all things.

In view of this, may we request that you disseminate this information to all concerned? Interested participants may now visit <http://careers.aboitiz.com/future-talents/the-aboitiz-future-leaders-business-summit/> for further information regarding this event.
